REMARKS/ARGUMENTS

Reconsideration of this patent application is respectfully requested in view of the foregoing amendments and the following remarks.

The Examiner has issued a restriction. The Examiner has required the election of one of a plurality of species. The applicant hereby elects group IV relating to FIG. 2C and new claim 23 for further prosecution. The applicant reserves the right to file additional patent applications including divisional and continuation application on non elected species. In addition, in the event that a claim is found allowable, the applicant reserves the right to have non elected species or claims rejoined into the application.

In addition a new claim 23 has been added which is directed towards the disclosure of FIG. 2C.

Early allowance of the remaining claims is respectfully requested.

In summary, new claim 23 has been added and group IV has been selected. In view of the foregoing, it is respectfully

requested that the remaining claims be allowed and that this case be passed to issue.

Applicant respectfully request that a timely Notice of Allowance be issued in this case.

Respectfully submitted,

Christopher Sellars
